Dear [redacted]

Thank you very much for arranging and moderating the briefing session for the International Fellows last week. The session went very well, and was precisely the type of program we desired. We consider it important to meet with CIA officials equipped with the expertise and experience necessary to provide real insights into the workings of the Agency, and we felt the session last week answered this need very well indeed. The Fellows found the briefing both informative and interesting, and we appreciate all you did to make it so successful.

It was a pleasure working with you, and thanks once again for everything.

Sincerely,

Malcolm Stewart

Dear Malcolm:

This is to confirm the arrangements that you and I have made for the visit by the International Fellows of Columbia University to CIA Headquarters the afternoon of 20 October. Mr. Walsh, Associate Director-Management, National Foreign Assessment Center, will address the group at 2:00 pm. After his presentation, which with a question period should last about an hour, I have arranged for a panel of senior analysts from NFAC to be available for an open question and answer period, similar to that run during your 6 April visit.

I am looking forward to meeting you and hope this trip will be as successful as previous visits.

Sincerely,

MEMORANDUM FOR: NFAC Security Officer

FROM : Associate Coordinator for Academic Relations

SUBJECT : Request for Security Clearances and Security Escort(s)

1. Attached is a list of names and dates of birth of a group of 51 students and three staff members from Columbia University (International Fellows Program) who will be visiting the Agency on 20 October 1978. The group will be receiving unclassified briefings by NFAC representatives. Please note that there are three persons on the list who are not US citizens (see asterisks). They will arrive at approximately 2:00 pm and depart at 4:00 pm.

2. Due to the large number of visitors and to maintain proper security precautions with this group, it is requested that Hqs Security Branch provide at least two security escorts to assist in taking them to Room GA13, to monitor the GA corridor (during the briefing hours of 2:00 to 4:00 pm) and to return the group to the Hqs Receptionist. Any assistance provided in this matter will be greatly appreciated. You may contact me on extension 7848 to discuss this request further if needed.

STATINTL

Dear Mr. [Redacted]

Twice each year, the International Fellows of Columbia University go to Washington to meet with policy-makers active in the field of foreign affairs. As you may recall, last year's class of Fellows met with you and several of your colleagues. Many considered that briefing to be the highlight of the trip. The Fellows will be in Washington again on October 19 and 20, and many members have again shown an interest in spending a morning or afternoon meeting with officials of the CIA.

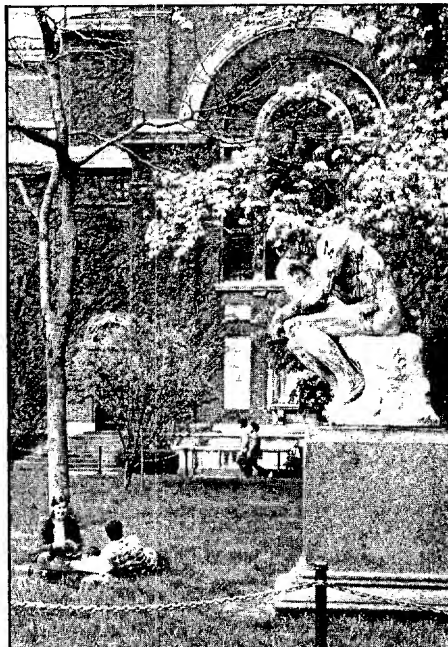

The International Fellows are fifty of Columbia's most promising graduate students, selected for their achievements and leadership potential. They represent such academic and professional fields as political science, history, law, business and journalism, and participate in a unique interdisciplinary course in international politics and U.S. foreign policy. Enclosed is a current bulletin describing in further detail the Fellows and their activities. Please do not hesitate to write or call if you have any further inquiries to make.

It is our hope that you would enjoy another meeting with the International Fellows. The Fellows would certainly consider it a valuable and rewarding experience.

Cordially,

Malcolm J. Stewart
